Thanks a million . . .

These few words express the sentiments of the average young cyclist and athlete throughout Ireland.

This two day Meeting would not have been possible without the guarantee of £500 from Les Leech and his firm Pepsi-Cola.

To him I say many thanks. Our thanks are also due to the manufacturers who have advertised in our programme. We recommend you to give them the support they deserve. Likewise many people have helped behind the scenes.

So to one and all many, many thanks.
