Meghan represented the club throughout the year in cross country and road team events, helping the senior ladies to Dublin Intermediate victory and bronze medals in the National road 5k. On a personal level, Meghan took chunks off her previous best performances including a magnificent 15-minute plus personal best of 3:09.28 in the Berlin marathon

Grace Casey was awarded the Women's track and field athlete of the year. Grace won silver at the National Senior Outdoor T&F with a throw of 43.99m, setting a new club record at the time. Grace has since bettered this record with a 44.52m throw at the Dunboyne Invitational. Grace also achieved 1st place and maximum points in the javelin at the National League final.

Edel Maguire was awarded the Master athlete of the year. Edel was recognized by Athletics Ireland in the Master Athlete of the Year category. At the World Masters Outdoors in Gothenburg, Edel won gold in the W65 High jump with a championship equalling 1.39m. Most recently Edel has broken European and National records on the indoor circuit including 29.97 seconds for 200m and 68.22 for 400m W65.

Continuing to encourage female participation, Athletics Ireland recently encouraged clubs to appoint a Women's Support Officer. Sarah Bateson kindly volunteered to take this role.

For "Women in Sport" week held in early March '25, the club held two successful and enjoyable events. In her new role, Sarah Bateson organised a night of 800s on the track. Then, on 'International Women's Day' over 30 Clonliffe Harriers decked in club colours answered Ciara Peelo's call and took to the line at Poppintree Parkrun on a beautiful Saturday morning.

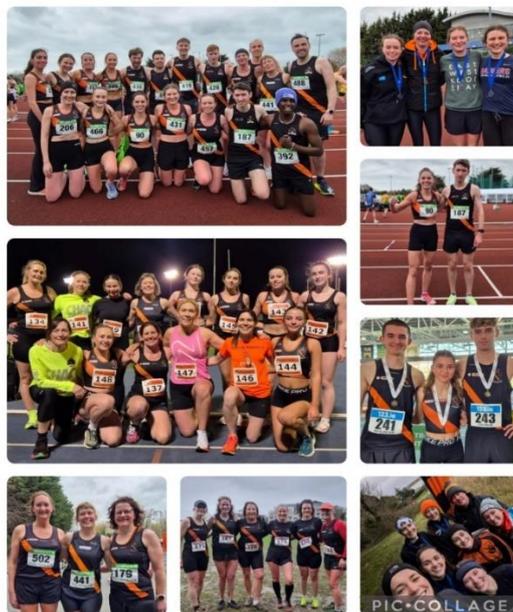

Other club highlights included a very successful senior cross country squad day with Anne Keenan-Buckley as guest speaker. A large group of 24 senior athletes and coaches travelled to AP Victoria Sports Hotel, Albufeira, Portugal for 7 days of warm weather training in early April. A further group of 8 sprinters enjoyed 2 weeks training in Estepona, Spain. In mid-September the club enjoyed a night of mixed relays courtesy of Pamela Cooper and her team of Ciara O'Regan, Johnny O'Leary, Shane Rooney, Carl Fleming, Orla Deighan and Jake Kernan.

The report that follows provides more detail on the key achievements at National and regional events as well as team success across Indoor, Outdoor Track & Field, Cross country and Road Racing competitions.

Finally, a huge "Thank you" – to my vice-captain Ciara Peelo, Club captain Noel Guiden, President Mick Kearney, Secretary Stephen Bateson, Treasurer Brian McDonald and all the committee, coaches, athletes and volunteers for all your support, hard work and enthusiasm throughout the year and in my term as captain.

I am not putting myself forward for re-election for the 2025/2026 term. It has been a great privilege for me to hold the role of Women's Captain and it has given me some truly unforgettable moments and experiences. During the last few years, and additional to my role as captain, I have enjoyed an unusual combination of training and competing with athletes across all categories from junior, senior to master and across T&F, road and cross country. This has offered me a first-hand insight into the workings of our club and it's talent. The energy and enthusiasm is delightfully contagious, the future is bright, and I hope the women's section will continue to prosper and go from strength to strength.

Jenny Johnston (Women's Captain) ❤️❤️
